The aforesaid students did not attend their classes regularly in 4th Semester and they were allowed to appear for the examination based on an affidavit given by their parents after personal meeting with the Principal of the College. Parents had assured the College that their wards will attend the classes regularly in the Semester V. The record of attendance for Semester V shows that they have again followed the old practice of not attending the classes regularly.

These students are warned to be regular in future failing which admit cards will not be issued to them under any circumstances. It is also brought to the notice of the parents of the aforesaid students. Separate letters are being sent to them as well.
