M.A. (The University of Burdwan, West Bengal, India)

Email: sandipsatpati@sbs.du.ac.in

Sandip Satpati received a doctoral degree from the Centre for the Study of Regional Development (CSR D), JNU, India. His thesis revolves around “Geographical variations in outreach information and communication technology and rural development in West Bengal”, using field surveys, quantitative methods, and GIS aspects. His research interests lie in rural development, particularly ICT diffusion, ICT in rural development (agriculture, education, healthcare), and sustainable livelihood development issues. He has completed an MPhil degree from the CSR D/JNU on “Livelihood options and opportunities among Schedule Tribe population in South Western Plateau and Highland Region in West Bengal”. His research has appeared in reputed international journals like The Electronic Journal of Information Systems in Developing Countries (Wiley), The Oriental Anthropologist (SAGE Publications), Contemporary Voice of Dalit (SAGE Publications), Indian Journal of Public Administration (SAGE Publications), and Journal of Land and Rural Studies (SAGE Publications).

Before pursuing his PhD, he completed his B.A. (Hons.) and M.A. in Geography from the University of Burdwan. He cleared the UGC NET-JRF (Geography) in June 2015.

Presently he taught papers like Geography of Social Wellbeing, Disaster Risk Reduction, and Environmental Science: Theory into Practice II at the undergraduate level. Apart from his academic endeavors, he likes to travel and enjoys travel video vlogs in his free time.

His different Academic IDs are mentioned below

Vidwan-ID: 481726

Orcid ID: 0000-0001-5146-9106

Scopus ID: 57443420700

Researcher ID: HOH-3265-2023
